

Policy Privacy

1. Introduction

1.1 This Privacy Policy details important information about the collection, use and disclosure of User information collected on the Site and Tools. The purpose of this Privacy Policy is to help you understand how your personal information is used and your choices regarding such use. By using the Site or the Tools, you agree that the Company may collect, use, disclose and process your information as described in this Privacy Policy. This Privacy Policy only applies to the Site and the Tools, and not to other websites, products or services that you may access or link to through the Site or the Tools. We recommend that you read the privacy policies of any other websites you visit before providing your information to them.

The Site and Tools may evolve over time, and this Privacy Policy will change to reflect that evolution. If changes are made, you will be notified by revising the date at the top of this Privacy Policy. In some cases, if significant changes are made, a statement may be placed on the home page. We encourage you to review this Privacy Policy periodically to stay informed.

Some third-party providers may place cookies or pixels (small data files stored on your hard drive or device memory) on your browser or hard drive. Please note that this Privacy Policy does not cover the use of cookies or pixels by such third parties. Most web browsers are set to accept cookies and pixels by default, but you can usually set your browser to delete or reject cookies or browser pixels. However, if you choose to remove or reject cookies or pixels, your ability to use the Site or Tools may be affected.

1.2 This Privacy Policy should be read in conjunction with the Terms of Use. By accessing the Tools, you agree to the information collection and use practices described in this Privacy Policy.

1.3 Your use of the Legendaryum Client and any personal information you provide through the Tools remains subject to the terms of this Privacy Policy and the Terms of Use, as each may be updated from time to time.

1.4 Any questions, comments or complaints you may have should be emailed to privacy@legendaryum.com

2. Information collected on the Site and Tools

Personal information collected from you generally may include:

2.1 Network information regarding the transactions, including, among other things, the type of device you use, access times, hardware model, operating system and version, and other unique device identifiers.

2.2. Your email, first and last name, username and date of birth.

2.3 The Legendaryum Client requires the highest level of browser permissions which could lead to the acquisition of further personal information. The information about these permissions is used for a limited purpose, and why this is necessary, can be found in paragraph 3 below.

2.4 Your interactions with the Site are documented through Segment.io and that information is processed by Google.

2.5 The information collected for users coming from an organization with which a private agreement has been established may vary according to what is established.

3. How your personal information is used

3.1 As with almost all interactions that take place on the World Wide Web, servers may receive information by virtue of your interaction with them, including, but not limited to, IP addresses .

3.2 The Legendaryum Client requires full browser permissions that could be used to access additional personal information. Such browser permissions are used for an extremely limited technical purpose to allow the Legendaryum Client to properly interact with your browser. No additional information is obtained beyond what is necessary to provide the Legendaryum Customer. No information received is shared with third parties, except when necessary for the provision of the Legendaryum Client.

3.3 Segment.io is used to monitor web traffic. Any identifying information collected through Segment.io is controlled by Segment.io, Inc.

What is done with your information

4.1 Your information may be used in the following ways:

4. To analyze trends in how the Site and Tools are used;
- To improve the Site and the Tools;
- To help personalize your experience on the Site and Tools;
- If you provide your contact information, you may receive technical notices, updates, confirmations, security alerts, to provide you with support, to tell you about other products and services that may be of interest to you, or to respond to your comments or questions.

4.2 Your information may be shared with third parties who need access to it to perform work related to the Site and Tools, including doing things like helping make the Site or Legendaryum Client available, or providing analytics services. These third parties only access and use your information as necessary to perform their functions.

4.3 Aggregations and anonymizations that contain your information may be created in a way that does not directly identify you. Those aggregations and anonymizations may be used or shared for a variety of purposes related to the Site and the Legendaryum Client.

4.4 The Company also reserves the right to disclose personal information that it considers, in good faith, appropriate or necessary to enforce the Terms of Use, take precautions against liability or damages, investigate and respond to claims or allegations of third parties, to respond to court orders or official requests, to protect the security or integrity of the Site or Tools, and to protect the rights, property, or safety of the Company, "legends" and digital asset owners, or others.

4.5 In the event that the Company is involved in a merger, acquisition, sale, bankruptcy, insolvency, reorganization, receivership, assignment for the benefit of creditors, or the application of laws or principles of equity that affect the rights of creditors in general, or other change of control, could eventually be a disclosure of your information to another entity in connection with such an event.

5. Your choice

Your personal information is processed in accordance with this Privacy Policy and, as part of that, you will have limited or no opportunity to change the way your information is used.

6. Cookies

The Site and Tools do not use cookies at this time, but they may in the future, in which case this Privacy Policy will be updated accordingly.

7. Information not collected

No other personally identifiable information about you will be collected unless you provide it to Company directly: by filling out a form, giving written feedback, communicating through third-party social networking sites, or otherwise communicating otherwise through the Site, the Tools or any other means.

8. Information security

While neither the Company nor any other organization can guarantee the security of information processed online, the Company has adequate security measures in place to protect your personal information. For example, the personal information you provide is stored on computer systems with limited access, encryption, or both.

9. Privacy Rights

9.1 Subject to applicable law, you may have some or all of the following rights in respect of your personal information: (i) obtain a copy of your personal information together with information about how and on what basis that information is processed personal; (ii) to rectify inaccurate personal information (including the right to have incomplete personal information completed); (iii) to erase your personal information (in limited circumstances, where it is no longer necessary in relation to the purposes for which it was collected or processed); (iv) restrict the processing of your personal information where: a. the accuracy of the personal information is disputed; b. the processing is unlawful but you object to the deletion of the personal information; or c. we no longer require the personal information, but it is still required for the establishment, exercise or defense of a legal claim; (v) contest processing that we have justified on the basis of legitimate interest (as opposed to your consent, or to perform a contract with you); (vi) to prevent us from sending you direct marketing; (vii) withdraw your consent for us to process your personal information (where such processing is based on your consent); (viii) oppose decisions that are based solely on automated processing or profiling; (ix) in addition to the above, you have the right to file a claim with the control authority or to perform a contract with you.

9.2 For specific inquiries about these rights, write to us at the following address: privacy@legendaryum.com
